COMMUNISM CAN BE DESTROYED OVERNIGHT!!!

This was the CHALLENGE given to the people of America on the night of May 25, 1951, in Queens Village, New York City, by the powerful NEW YORK ANTI-COMMUNIST LEAGUE, destined to tear NEW YORK STATE out of the hands of these hypocritical, Christian-hating communists.

The SILENCE of the controlled New York papers and radio, who failed to mention even one little word concerning it, is proof enough that these enemies of our CHRIST and our beloved country, FEAR, DREAD and HATE the name of MacArthur! And this meeting was ostensibly held as a General Douglas MacArthur Night!

Before you read on, remember this: EVERY powerful country of CHRISTIAN EUROPE with the one exception of Spain, has been dominated, over-run or betrayed into the clutch of CHRIST-HATING COMMUNISM! The ONLY Christian Nation powerful enough to preserve CHRIST'S EMPIRE here on earth—CHRISTIANITY—is the United States of America. But SHE IS NOW STANDING ON THE VERY BRINK OF EXTINCTION. So hopeless is her position, that many of the highest men in Washington state there is no hope left to save this CHRISTIAN COUNTRY. AND DON'T FORGET that the ONE REAL purpose of COMMUNISM is to DESTROY FOR ALL TIME

CHRISTIAN CIVILIZATION — TO DRIVE JESUS CHRIST BACK INTO THE TOMB! The American people don't realize the terrible HATRED these CREATORS OF COMMUNISM bear for JESUS CHRIST, GOD ALMIGHTY!

REMEMBER, COMMUNISM, AS TERRIBLE as it is, is only a CREATURE of a still more powerful MENACE—the greatest menace that has ever beset CHRISTIANITY, since GOD HIMSELF had been crucified on Calvary: The question today before the American people is, not WHAT is COMMUNISM; but WHO is COMMUNISM? That's the \$64 question and the true answer DARE NOT BE TOLD, even though our beloved Country perish because of our IGNORANCE of the true ENEMY! Once the veil is torn away from the face of Communism and the REAL RAT is brought out into the sunlight, that's the day America moves! And when America moves Communism is finished. BUT this veil can only be torn away when the naked, the real Truth can be spoken again in America.

And this can only happen with the help of God. Either He gives us back George Washington as our next president:

Either He gives us Abraham Lincoln as our next president:

Or He gives us one who can fill their shoes—and He did when He gave us General MacArthur.

CHRIST SAID: "The Truth shall make you free." Lincoln said: "Give the people the 'light' (Truth) and they'll find the way!"

The American people are riding blindly to destruction because this invisible deadly anti-Christian, anti-American force that rules behind the scenes, has blocked out the danger signal of the semaphore (the Truth)! That is why General Douglas MacArthur must be the next President of these United States if this Christian Country is to be saved! OUR NEXT ELECTION (if we have it) will be an ELECTION OF LIFE OR DEATH!

Some day the world will realize that the firing of MacArthur was the miracle of Jesus Christ that saved our beloved Country and all Christianity from the brink of the pit of ultimate destruction. Not a tragedy, as the great Senators reported. It probably most likely is the General's cross he must bear.

"They persecuted Me, they'll persecute you." Now read the report of this momentous meeting as reported in the mid-west newspaper.

NEW YORK ANTI-COMMUNIST LEAGUE MARCHES INTO BATTLE WITH THE RED MENACE IN NEW YORK

A trumpet blast of Christian-American valinty and courage was sounded in the battle against the Red Menace in New York on May 25, 1951, when under the direction of C. Daniel Kurts, veteran orator and fighter for America, the New York Anti-Communist League held its first official outdoor meeting in Queens Village, Jamaica Avenue and 217th St.

ton Independent, who travelled east to report this historic meeting, found it an inspiring occasion of far reaching effect. The keynote of the meeting was the rallying of Christian-American forces around the towering figure of General MacArthur to combat the sinister Red forces of Asia sweeping to engulf the Republic.

lant figure of our embattled General as holding the American fort against Communism had been widely distributed. A powerful appeal was set forth for a defeat of subversive left-wing elements and return to Constitutional Government. General MacArthur was exalted as the only man with a sufficient stature and following to save our imperiled nation in this its greatest crisis, and re-establish the Christian-American tradition.

This writer, representative of the Day-

VETERAN SPEAKS

First to speak was Peter L. Xavier, Veteran of nearly sixteen years service in the United States Army, who had served overseas 37 months in World War II. Recently discharged from the Army (Discharge General, Under Honorable Conditions) for his activities on behalf of American tradition and against the United Nations and Communism, Xavier has a long record of battle with the forces of subversion. Author of a book entitled, "Rise, America!", exposing and condemning the fatal conspiracy of Internationalism that has taken America into two World Wars without a shred of justification, and predicting the ignominious failure of the UN just about as it happened, this writer, speaker and fighter early drew the fire of the Internationalists. In 1948 Drew Pearson called upon the then Defense Secretary Forrestal to have Xavier ousted from the service. The hatchet man for the Left-Wing One World crew called his opponent the "most dangerous man in the United States Army." He has certainly proved dangerous to the enemies of his country.

After a battle of nearly two and a half years Xavier was dismissed from the service like many another who placed country before personal interests. He continues his struggle for a return to American tradition. In his address to the outdoor audience in Queens Village Xavier emphasized the absolutely phoney character of the UN dominated engagement in Korea, and the one threatened by our meddling in Europe through the Atlantic Pact arrangements. The speaker pointed out that the same crew who had given 11 billion dollars Lend Lease aid to Red Russia in the war, and given that Bolshevik country control of China, Poland, and large parts of Eastern Europe, that delivered to totalitarian slavery over 100 million people, now proposes to fight Communism the world over. The obvious purpose is to destroy the existing remnants of nationhood throughout the globe.

General Douglas MacArthur was praised for his unexampled military career and the unique stature acquired by him as soldier-statesman - a soldier fighting to establish Christianity and Americanism to the affairs of state.

DESTROY COMMUNISM OVER NIGHT

Stepping to the rostrum with all the old vigor and vim known to New York audiences from many a campaign, C. Daniel Kurts, State Director of the New York Anti-Communist League, told the

tensely listening audience that Communism can be destroyed overnight! "Our beloved country can only be saved," he said, "by installing in the White House as the next President another George Washington or another Abraham Lincoln. No other will do."

Continuing with dynamic emphasis the orator warned: "America needs in her hour of peril a man who cannot be bought, cannot be pressurized, cannot be frightened by the vicious Communistic minority that is pushing the nation to the brink of the precipice of destruction! The instrument chosen to save America must be such a man as God sends but once in great intervals of time to meet great crises such as faced Joan of Arc, George Washington, and Abraham Lincoln."

"The only man in the United States capable of filling the shoes of the Father of our Country or the Great Emancipator is the greatest General America ever had - General of the Army Douglas MacArthur. He must be the next President of these United States if this Christian nation is to be saved."

This courageous State Director of the New York Anti-Communist League, one of the greatest, if not the greatest Leader of Anti-Communism in America, was the first leader in America to demand that MacArthur be made our President. This occurred way back in 1943, when Mr. Kurts had tacked to the front of his home a sign reading as follows: "If This Christian Nation Is To Be Saved, General Douglas MacArthur is an Absolute MUST For America!" How he foresaw the truth even then!

The local Long Island smear sheet felt so badly about this that they printed a picture of this leader's home showing this sign. They hated MacArthur and all he stands for, even then as they hate him now. They know that if MacArthur gets to the White House Communism will be dead and Christianity will be enthroned once more in America.

The magnetism of the orator's appeal made the meeting a tremendous success. His message went forth not only to the people of New York City, but to all true Americans everywhere. Fear fills the hearts of this mighty minority known as the Communists, lest the influence of the dynamic New York Anti-Communist League takes a hold on the true native American majority. Then Communism will be at an end and the country restored to the rules laid down by Jesus Christ.

"Away with World Government,"

cried the speaker. "Government of the American people, by the American people and for the American people was good enough for all true Americans for over one hundred and fifty years and is good enough for us and our posterity."

"To fight for our country we must fight for Christianity, for this nation was established as a Christian nation by our Founding Fathers, and handed down in trust to us as such. To allow anyone to tear out Christianity from the structure of our laws and society is to allow the destruction of both Christianity and America. We will then have the United States of Soviet America!"

A LEADER UNDER THE CROSS

C. Daniel Kurts is practically the only powerful leader who has dared defy the Communistic, Christ-hating forces in New York, by refusing to be frightened, coerced or intimidated, fighting Communism in street meetings in New York City for twelve long years. This is the city which people from the middle west, the far west, the south and the north regard as the very nerve center of the Communist world. Mr. Kurts has been smeared, threatened, poisoned. He has for the past four years suffered torture such as surpasses the imagination. Under this incredible suffering, truly he has obeyed Christ who said, "If you would be My disciple, take up your cross and follow Me." He has indeed carried a heavy cross. Out of deference to this great Leader's wishes we will not specify just what his present great suffering is. It can be truthfully said it is a thousand times worse than death—it is a living death of perpetual torture. But he has told this reporter, "My whole dependence is upon Jesus, my only hope is in Him!"

It has been the rare privilege and trust of this writer to transmit to all who may read it, the warning of Christ passed on to the American people, by His faithful follower, C. Daniel Kurts: "Without Me you can do nothing!" The speaker expressed the opinion that perhaps it is lack of adherence to Christ and HIS truth which has enabled the terrible anti-Christ, Communism to set nation after nation into war against each other, to overthrow established society in these nations and plant on their necks the heel of Anti-Christian, Tyrannical Communism. Today the United States (what is left of it) stands as the ONLY ruination of all Christian civilization and yet they have never been able to silence this great American—C. Daniel Kurts. God bless him and keep him!

DYNAMIC CONVENTION SPEAKER

It has been the good fortune of this reporter to have been present with Mr. Kurts in various great cities—St. Louis, Philadelphia, New York, Los Angeles and wherever he has raised his voice he swayed his audience by his magnetic appeal, his powerful presentation of Christian-American truths. The hallmark of his oratory is his courage, his love of his country, his sincerity, and his absolute faith in Jesus Christ and His promises to mankind.

Sacrificing every penny of his personal possessions our Christian Leader has through twelve long years of persecution and Hell lived up to the oath he gave to the people of New York and America away back in 1939: "I WILL NEVER BETRAY MY CHRIST OR MY COUNTRY!" It should be considered by every American, especially those in New York State, a rare privilege to contribute to this great work, which has claimed everything he has and is. It is a shame that millions of people who call themselves Americans sit idly by, see no evil, hear no evil and speak no evil (Christian Truths!) while the Red Rats are moving heaven and earth to silence him as they did the Golden Voice of Father Charles E. Coughlin, the America First, Lindbergh, and now are trying to silence and discredit by smears the next President of these United States, General Douglas MacArthur. Let every Christian patriot who loves his Christ and his Country send every penny he can spare to the New York Anti-Communist League, address: P. O. Box 37, St. Albans (12), New York, so they can carry out their fight to save America from Communism.

We believe with all our heart and soul that if the proper financial help is given this leader, the vicious powers of Communism will never be able to keep General Douglas MacArthur out of the White House. The Christian countries of Europe will once again be free, and a bond of Christian love and brotherhood will cement the nations of the world so children will no longer be raised merely to be slaughtered the world over, not to make Christian countries free but to make the world slaves of anti-Christian Communism.

KURTS TAKES PERSHING SQUARE

The well-known power of C. Daniel Kurts as an orator was never more dramatically demonstrated than during the great West Coast Convention of the Christian Nationalist Crusade in Los Angeles, this past summer. A tremen-

dous success, with packed audiences, this great convention was enhanced and prolonged by a striking gesture on the part of this orator. Invading Pershing Square, the stronghold of the Communists of the west coast for many years, our Christian-American leader recaptured for Christ and America this fortress of the enemy. The great name of Pershing once more presided over a place worthy of that name. The victory was won in spite of several days' warning given the Reds, who filled the Square with the toughest Commies of the Coast. Raising on high the Cross of Christ Kurts sounded the battle cry for God and Country as so often before he had made the streets ring with his message. Opposition wavered and crumbled, giving way to admiration. Shouts of approval and encouragement rose from even among the hoodwinked Reds, rising in a mighty crescendo till the orator with the Cross held on high was cheered to the echo by the mighty throng.

Silencing the crowd the speaker then thanked them for the greatest meeting California ever saw, and left with the words so often used by him on other oratorical battlefields: "We came, we saw, we conquered." The triumphs won at Union Square, Columbus Circle, Rockaway Beach, N. Y. - all Communist strongholds - had been repeated. Once more Pershing Square had been restored to its true owners, the Christian Americans, the great majority of our Christian nation.

BOOST FOR THE LOS ANGELES CONVENTION

But the victory was not yet complete. The enchanted crowd followed this speaker to the hall in Los Angeles where the Christian Nationalist Party was preparing to close their Convention that evening. With this mighty reinforcement of enthusiasts the Convention was continued for several more days.

MIGHTY OVATION FOR KURTS

When that same evening the Christian Nationalist leaders from nearly every State in the Union marched onto the platform tremendous cheers arose from the packed audience. But when the Leader from New York stepped upon the platform, who only a few hours previous had marched into the enemy's stronghold and taken Pershing Square from them, the audience rose as one man with a deafening roar of cheers. Later in the evening when the distinguished leader of the Christian Nationalist Party, Gerald L. K. Smith, one of the greatest patriots

in America, called upon the Leader of the New York Anti-Communist League to address the convention, the audience hushed in expectation. One could hear a pin drop. Nor were they disappointed. For when the speaker closed his courageous, dynamic message that vast audience rose to its feet, and now even the roar of a cannon could not have been heard, so terrific was the acclamation of the people of the west for this courageous leader of the East.

JOIN NOW FOR CHRIST AND COUNTRY

The appeal is made now, most earnestly, to everyone in New York State, both men and women, eighteen years of age or over to join the New York Anti-Communist League, and join now! Please send your full names (not initials) with address and telephone number to: The New York Anti-Communist League, P. O. Box 37, St. Albans (12) New York. Membership cards will then be mailed to you. There are no initiation fees or dues. Membership is free.

Now is the time to join this mighty movement. In every State in the Union these Anti-Communist Leagues are being organized, or already are functioning as dynamic units in the great fight for Christ and Country. Particularly active are the California Anti-Communist League directed by the learned and energetic and powerful leader, Dr. Wesley Swift, who has raised its membership to over a million souls; and the West Virginia Anti-Communist League sparkplugged by Forrest C. Sammons, fearless and resourceful business man. In Dayton Ohio a State Anti-Communist League is being developed under the auspices of the National Security League and so on in all states.

But remember this is your Country and it is now standing on the very brink of destruction! Are you going to sit idly by waiting for some one else to save her, or are you going to roll up your sleeves, take a deep drink of the "Spirit of 1776" and tell George Washington and the Founding Fathers "You gave us the greatest country the world has ever seen ruled in absolute strict accord with and under the laws and principles of Jesus Christ, true God and true Man, incorporated in the Constitution of the United States, the greatest document of human liberty, ever penned by the hand of man, and we will do everything in our power to keep her such and preserve her thru the inspiration of Jesus Christ, the Christian nation, as she was given to us!"

We call upon every New York man and woman to join up immediately in this New York Anti-Communist League, which is for Christ and Country! Against Anti-Christ Communism! And please send them what you can afford, so they may keep up the fight that has won the admiration of every patriot and patriotic organization in this wide country.

But above all things always remember: There must be no hesitation, there must be no compromise, there must be no failure, there must be another George Washington or another Abe Lincoln in the White House this coming election! And there is only one person who can fill their shoes—General of the Army Douglas MacArthur! HE MUST BE OUR-NEXT-PRESIDENT!

This small but powerful Communistic minority has been ruling this nation too long. We the great majority, the Christian Americans, will, for the first time in a long period, be truly organized through these state anti-communist leagues and once again the real and true Americans, the great majority, will rule this nation. Asiatic Communism and the Asiatic Creators of Communism must be and will be destroyed here in America! That is this leader's promise to the Communism controlled Christian nations of Europe. Too long Americans have been fed nothing but lies about Communism by the controlled press, radio, and movies. The American people must have the Truth! So join up now and your education starts. This great

Leader speaks the absolute truth! Who does fear the truth? The real Americans! Or these Communistic Christ-hating Mongaloids!

As the great Lincoln once said, "Give the people the light (truth) and they'll find the way."

When the Americans get this light (truth), that's the end of Communism.

And the only way the Americans can get the truth is for them to elect General MacArthur as the next President of these United States!

The zero hour for all Christianity is getting close. The jittery enemies of our beloved country have twice shown their hand in their stupidity; once in removing General MacArthur, and now in removing the Cross of Christ from the graves of our boys. Their next and final step is to remove the Cross of Christ from us the living—and that's the end of Christian Civilization. Even the most apathetical American must realize now that these Asiatic rats who have the power to put through such an order to destroy the vestige of Jesus Christ from the graves of our boys who died under that Cross are the real creators of Communism—and the greatest menace not only to our Christian Nation, but to all Christian Civilization. The Leader of this organization stated at Rockaway Beach away back in 1939 that "When the American people tear the veil from the face of Communism and drag the rat into the sunlight where all the world can see him, that's the day that Communism is finished."

To settle this Communist threat, we must know one thing: "WHIO IS COMMUNISM?" The answer is their doom!

Please sign this Christian protest against the attack upon Jesus Christ and our boys who sleep the long sleep in His care and protection. And please tear off the bottom section and return it to us immediately.

General MacArthur MUST be our next president if this Christian Nation is to be saved! No other living man as the President can save it.

To the Honorable Harry S. Truman:

WE THE PEOPLE, the rightful and true owners of these United States, respectfully demand of you, our most exalted servant, that you order Anna Rosenberg to rescind immediately the order for the removal of the Cross of Christ, the God of this Country, from the graves of our sons who have died for it and therefore for this Cross, for being a Christian nation, the "Cross" is therefore the Holy Symbol of our beloved United States of America.

And we further demand that she be ordered immediately to replace the symbol of Christ on the graves she desecrated. For once we Americans are determined that Christian America shall not perish from this earth.

NAACP COMMUNIST FRONT SPLITS U.S. - DIVIDE & RULE

The success achieved thus far by those who strive for the culmination of the Jewish-Marxist plan for world domination has been due to several factors. Not the least of these is the use that has been made of individuals or groups as effective tools in the furtherance of their atheistic scheme. A striking example is the National Association for the Advancement of Colored People. This organization, supposedly set up for the benefit of the Negro, is, in reality, hastening the final attainment of the Marxists' goal. Humming true to form, they offer empty promises of better living conditions and higher social standards (a la the so-called "Workers' Paradise" in Soviet Union) to the Negro population.

The secret behind the effectiveness of the methods employed is the fact that the real purpose is always cleverly camouflaged. The "front" organizations always set up a particular ideal, in this way, there is the assurance of support from that group of people which the organization allegedly helps; as well as from many unsuspecting individuals who, because of their innate goodness, are actively interested in the welfare of others. Another by-product of this kind of decision planning is the dilemma one faces when exposing such organizations and attempting to reveal the underlying purposes. So ingenious are these perpetrators of evil that they are still able to baffle the issue despite exposure. For example, when one points out the Jewish-Marxist influence in the NAACP, he is branded "anti-Negro". Obviously, this is not necessarily so. These anti-Christian elements are not adverse to using anyone or anything to speed their progress, and they are as dangerous to the colored person as they are to the white man. Their boasts of freedom, security, peace and what-have-you are tempting and are aimed at inciting

INTEGRATION IN MILFORD

When the U. S. Supreme Court handed down its decision that the white and colored races will be forced to integrate, very few Americans realized the vast importance of the decision. The Court's ruling did not constitute the sentiments of the majority of the American citizens, nor was it, as some thought it to be, a decision giving equal rights to a minority race. It is true these are the reasons given by the controlled press, radio, and television. However, let us examine the problem on a local basis and determine for ourselves what the real purpose is for this radical change in tradition.

In the clean, moderate sized combination farming and commercial town of Milford, Delaware, with its small population composed mainly of farmers (there is no industry or office and tranquility for years. There was always a harmonious relationship among the populace and because of the occasional farming requirements for labor, several negro families lived in this small community for years. Yet, there were difficulties, but the citizens of Milford always managed to straighten out their own problems. The colored population was peaceful and contented. This was the picture that existed prior to the decision of the U. S. Supreme Court on non-segregation.

From then on there was unrest in Milford. A whispering campaign began among the residents of Milford and soon it developed into a meeting of the people. The question in everyone's mind was, "What is going to happen?" For the first time, the colored man and the white man looked at each other with suspicion. Neither one considered the other his enemy, but some unknown third party had set into motion an idea which both believed was to his respective detriment. It was quite obvious that there was going to be

trouble, trouble that neither group wished, nor had instigated. But it was happening and something had to be done to protect the rights of both white and colored.

The result was a public mass meeting on September 17, 1954 in the American Legion Home in Milford. This meeting was attended by more than 2,000 people, many more than could get inside the building. A resolution was drawn

Hymen A. Young, (Yonkers)

and signed by 1,500 persons, and addressed to the Milford School Board, petitioning them to immediately withdraw from attendance at the previously all-white high school, the 10 or 11 negro students who had received admittance to the high school on the opening day of the present school term. It was decided that everyone would meet in a body at the high school the following Monday morning, September 20, for the purpose of orderly presenting the petition to the Milford School Board.

The above action was carried out with 1,500 persons present, and also present was an out-of-state pressure representative of the NAACP, who tried to incite violence, even though it had been emphatically stated by all other leaders present that the first consideration was to prevent violence. The result of this meeting was the closing of all schools in Milford (White and Colored).

After the Monday morning meeting when the School Board refused to dismiss the colored students, choosing rather to close the school temporarily, one of the School Board members immediately resigned. The remaining members requested the State Board of Education to support them on their decision to start integration in Milford schools.

On September 21, 1954, a meeting of the State Board of Education and the Milford Board of Education was held in Dover, Delaware, at which time the State Board of Education acted in a pious fashion by refusing to

INTEGRATION HITS MILFORD DELAWARE

(Continued from Page 3)

From its inception it was tagged as a Communist front with Jewish leadership, Jewish direction and Jewish money. Now, why should Jews be interested in fostering the cause of the Negro, the average person may ask. To have a clearer picture of the situation, we must digress for a moment. In 1917, 270 Jews left New York City, passed across Europe in a sealed train and finally ended their journey in Russia where they started the revolution which killed or enslaved 180,000,000 people. In 1937, the Abraham Lincoln Bridge, composed of thousands of Jews from New York City, aided the revolution in Spain which resulted in the death of over 140,000 Christians. Between 1913 and 1919, Bela Kulan (Benjamin Cohen) with the help of New York Jews killed over 30,000 Christians in an abortive attempt to take over Hungary. A few years ago, thousands of Jews left New York City and sailed to Israel where they murdered or made homeless 850,000 Arabs. Now here in America, we have N. Y. Jews heading the NAACP, stirring trouble between the White race and the Negro race which may end in another revolution.

The Communist Manifesto states very clearly that the methods by which the world will be conquered will be by matching race against race and class against class, and when the two have been broken down the Communists will rule. Does the reader really believe that an organization like the NAACP under the control and direction of Jews, most of whom have Communist citations, is out to help the colored race or any other race? Is it not commonly known that one of the basic theories of Communism is to create dissension between the various component parts in order to destroy the whole? Then if this is understood, why do Americans allow Communism to move into their communities under the guise of brotherhood, etc. and take over? Is it because we are afraid of this minority race? Are we afraid that we will lose our jobs or be criticized? We are going to lose all of these valuable assets if the Communists take over, are we not? And they are taking over, of that there is no doubt. Then we have nothing to lose by showing our patriotism and courage now, for by the records of the Jewish Communist calendar you are already victims.

The Wilmington, Delaware, B'nai B'rith, Chapter 900, called a special meeting on October 21, 1954, for a report on the Milford segregation incident. Invited as guests to the meeting to make the report were Rev. Donald G. Wilkey, of Milford and R. McFann, reporter for the Wilmington Morning News. Rev. Wilkey gave a very unbiased report to the B'nai B'rith members leaving them impressed but hungry for more favorable news. McFann satisfied this hunger by spicing out a lot of charges and untruths against the residents of Milford and making statements to the effect that there were no uniformed police at their meetings, etc. McFann delivered his speech in true "Goy" fashion but his own newspaper carried pictures contradicting his statements. The Jews were entertained, not because they believed the reporter but because they could depend upon a well-placed "goy" (Talmudic term meaning "Cattle" and used when referring to Christians) to display the chicanery with which they, the Jews, are so familiar.

Among the leading Jewish B'nai B'rith Gestapo agents listening to the Christian report was a Mr. Moser, who later addressed the gathering on the great work that had been done in Virginia by the B'nai B'rith in putting over integration. He stated that this was a great achievement and they were greatly assisted by the funds collected by the Community Chest and "CARE".

One of the members took the floor and suggested that some one should get the names of those who are causing trouble in Milford and turn them over to the Anti-Defamation League. To those not familiar with the A. D. L., it is a national organized militant Jewish subsidiary of the B'nai B'rith, a Gestapo that executes the orders of the latter and accumulates information on all Americans who show tendencies of patriotism, to be used when the great day for liquidation arrives. It works hand in hand with the NAACP Communist front, the American Civil Liberties Union (a Communist front), the

American Jewish Congress, the American Jewish Committee, and many other Marxist organizations.

Later on in the meeting another member took the floor and asked if it would be feasible for the B'nai B'rith to send some of its members to Milford to re-educate the people. This question was directed to Rev. Donald G. Wilkey, Pastor, whereupon he answered, "You asked the question and you have answered it very nicely".

Moser, directing his remarks to McFann, the reporter for the Wilmington Morning News, stated that we (Jews) are going to give them the silent treatment and YOU will give them the silent treatment also. This was taken by an informant to mean that the B'nai B'rith official was giving the Morning News its orders then and there.

For the benefit of the new reader, let us explain the two methods used by the Jewish Communist Gestapo when they encounter a person or persons with patriotic courage. First they apply what is called the silent treatment which briefly means the patriot shall get no publicity whether it be good or bad; all newspapers, radio and television stations are ordered to lay off. The effect of this is usually slow death for the patriot since no one in the rest of the country knows his situation and therefore cannot come to his assistance. The second method, which is used only when the patriot has the courage to fight on through the silent treatment, is a full scale blast from every corner of the country and from every Jewish controlled publication, radio and television in the land. Along with this, the patriot is threatened, intimidated, persecuted until he succumbs to the power of the Invisible Government.

So the citizens of Milford, who have had the courage to stand up and be counted as Americans fighting for their Constitutional rights, will be faced with the same forces that invaded Russia, Hungary, Poland, Latvia, Estonia, East Germany, Bulgaria and many other former free countries. It is not a question of 11 negroes being forced into school with whites, but a question as to whether the American people are going to stand by and allow Communist fronts like the NAACP and the American Jewish Congress to usurp the rights of free Americans under the United States Constitution and make slaves of them. As this is being written, word comes that the American Civil Liberties Union has filed a bill "Amicus Curiae" (friend of the court) with the NAACP in its fight against the citizens of Delaware. Also coming to this writer's desk was the report that Walter Reuther just gave the NAACP \$75,000 for the establishment of a Southern Educational Reporting Service which will back up the aims of the NAACP.

Another well-planned move in this overall picture of control by the Invisible Government was the presence of Attorney General H. Albert Young (Yanovitz?) the Jewish Attorney General for the State of Delaware.

AMERICAN CIVIL LIBERTIES UNION

Back in 1931 the Un-American Activities Committee, with Hamilton Fish as chairman, reported after an extensive investigation, that 50% of the activities of the American Civil Liberties Union were in behalf of Communism.

The percentage of such activities may have varied from time to time since then, but the American Civil Liberties Union has not changed much and its leaders are still vigilant in the service of Communism. One of the most outrageous examples of its activities took place at Harvard University in connection with the Communist John Reed Club, then a student organization. The John Reed Club at Harvard "invited" Earl Browder, General Secretary of the Communist Party and a member of the Communist International to speak at Harvard on university premises. The invitation had lately been issued when Browder was indicted by a Federal Grand Jury, and the Secretary of the Harvard Corporation "suggested" to the John Reed Society that its Browder meeting be abandoned lest some question of propriety be raised. Instead of complying with the request, this Communist outfit publicly protested that "Browder's freedom of speech had been infringed, etc. etc." It was at this time the Civil Liberties Committee of Mass., a State branch of the American Civil Liberties Union, sent a protest message to Harvard University, and the American Civil Liberties Union itself sent from its New York Office to President Conant of Harvard, a telegram of protest in Browder's behalf, all of which were printed in the Daily Worker of November 10, 1953, the official Communist organ. The telegram to Dr. Conant bore the name of five men, including Collier Lincoln, known Communist, Roger N. Baldwin who once proclaimed in a Year Book of his Harvard class "Communism is the goal," and Dr. Harry F. Ward who also has a long list of Communist activities. THIS IS THE SAME AMERICAN CIVIL LIBERTIES UNION THAT IS FURNISHING LAWYERS TO BACK NAACP IN ITS DRIVE TO ABANDON SEGREGATION IN DELAWARE.

LETTER TO A FRIEND

November, 1951

Mr. William Prickett
Dear Mr. Prickett:

I have just noticed in the November 10 issue of the Wilmington Morning News that you are doing as Attorney for the American Civil Liberties Union in the Delaware Supreme Court on "amicus curiae" (friend of the court) brief on behalf of the 10 Milford negro students, which action is being pursued from out of the State by the National Association for the Advancement of Colored People.

Of course, this is perfectly legal, but I am wondering if you fully realize that in this act you are representing an organization (The ACLU) that is cited as Un-American and a Communist front. Of course, you are also aware that the NAACP, which is spending the money, and did urge Delaware negroes to apply for admission to white schools by the out of state method, is a Communist-Zionist organ with world headquarters in New York City and is the organization and President of the State.

Finally, isn't it a shame that Un-American and Communist organizations can back and receive the protection of American courts and reputation in American law, when the people, served by taking up arms to preserve the principles of the American Republic and Christianity (Is it?) have, because of the cultural decay in which we are living, to demonstrate your legal and professional practices? Shouldn't Americans like yourself stop the double talk and double action? It is possible that we stand today where we stood in 1917, but the world struggle came to a halt. Christianity and Atheism of the Anti-Christ? Don't true Americans represent a Christianity and Communism and Zionism represent Marxism.

THE COMING RED DICTATORSHIP

ASIATIC MARXIST JEWS CONTROL ENTIRE WORLD AS LAST WORLD WAR COMMENCES --- THOUSANDS OF PLOTTERS PLACED IN KEY POSITIONS BY INVISIBLE GOVERNMENT --- FEW EVER ELECTED --- THOUSANDS MORE ON THEIR WAY

I. YOU WILL BE SHOT!

II. OR AT BEST CONFINED TO THE CONCENTRATION CAMPS they have built for you at Avon Park, Fla.; Allenwood, Pa.; Florence, Ariz.; Tula Lake, Cal.; and El Reno, Okla.

III. UNLESS YOU ACT AT ONCE to stop this plot which has been steadily progressing for many years, and especially the last 20 years, and now has its key men in the desired positions of power, ready to pull the strings which will submerge Gentile humanity forever.

IV. Every Senator and Congressman is constantly voting on questions concerning the world crisis, yet few have the guts to tell the people what is back of the entire world crisis and to advocate measures to counteract it.

V. Rather than endure the smear that would come their way, many members of Congress are willing to sell their own future generations into slavery. Spineless creatures engrossed with the egotism of the

met at Basle, Switzerland, in 1905 and drew up the "Protocols of the Learned Elders of Zion" as the formula for their plan to capture control of the world.

XVI. Jews claim the Protocols are forgeries. A forgery is an unauthorized copy of an original. The Jews never question the authenticity of the original Protocols which were written in Hebrew. The important fact is that the Jews are carrying the plot out to the letter.

XVII. The Russian revolution was financed by Jews, Jacob Schiff, Otto Kahn & Paul Warburg, of Kuhn, Loeb & Company, New York bankers. They advanced 48 million dollars and trained 276 Jewish revolutionaries in New York City on the lower East Side who were shipped to Russia in 1917 to direct the overthrow of the government and set up the present Communist government of U. S. S. R. They passed through Germany (with whom we were then at war) by permission of Paul Warburg's brother, who was the Kaiser's Chief of Espionage, and permission of the Ger-

crises have been produced by us for the goyim (Gentile) by no other means than the withdrawal of money from circulation."

This was written in 1905 and referred to the panic of 1893 which was caused by simply and suddenly withdrawing a large amount of gold from the New York Stock Exchange and sending it to Montreal. "The Federal Reserve Conspiracy" documents the details of this operation from economic journals and from little-publicized Congressional investigations. The money panics of 1907 (which occurred in a year of general prosperity), 1921 and 1929 were caused in the same way, and the details are similarly documented.

XXII. THE HOUSE OF ROTHSCHILD, Jewish banking house, loaned money to both sides in World War I (in line with the Protocols plot). Without such loans there would have been no war as neither side could afford war. That the Jews wanted war in order to have Gentile destroy Gentile, and to bring on world chaos and to

title population lives in slavery and squalor as their slaves. LAZAR KAGANOVICH, Jewish father-in-law of STALIN, is the head man of the Soviet Union behind the scenes.

World War III is to exhaust the nations so that they will agree to a Jewish world government. The Jew-controlled United Nations is to be the world government; the flag of the United Nations is taken from the flag of Israel and Russia.

XXVIII. The world crisis is made by BERNARD BARUCH, FELIX FRANKFURTER, LEHMAN, JAMES PAUL WARBURG, LEWIS L. STRAUSS (of Kuhn, Loeb & Co., and who was recently appointed Chairman of the U. S. Atomic Energy Commission by EISENHOWER), ROTHSCHILD estate, MORGENTHAU, EINSTEIN, and the rest of their Jewish conspirators.

XXIX. Why do Jews talk of the crisis we have with Russia? They control the governments of Russia, England, France, Israel, and the United States. The crisis is their

XXXVI. Jew EINSTEIN caused the Atomic Energy traitor, KLAUS FUCHS, to be released from jail in Canada and brought to the U. S., where he acted as the world's leading atomic energy spy. EINSTEIN was a strong supporter of traitors JULIUS and ETHEL ROSENBERG. EINSTEIN in a letter to Jew WILLIAM FRAUENGLASS, New York teacher, advised all witnesses to refuse to answer questions before Congressional committees.

XXXVII. Jewish International banker forces that backed EISENHOWER for President also backed STEVENSON. TRUMAN followed the Jewish instructions. The Jewish International bankers promoting Communism in accordance with the

VI. Many members of Congress desire to lead a life of hypocrisy and escape the real issue, leaving it for others, who, in like manner, leave it for others, and all touch it not. Thus the internal enemy has a free and untrammelled field in which he is moving rapidly forward to the climax.

VII. Needed is a simultaneous effort of a large group of Senators and Congressmen to expose this plot because there is protection in numbers. The public could thus be aroused, and once aroused, would give them its support, and smear of individuals could not take place when a goodly number act simultaneously.

The public thinks the Federal Reserve banks are government owned, but they are privately owned, the geographic dispersal of twelve to represent decentralization just being window-dressing as they all are dependent on the Federal Reserve Bank of New York which is under control of the Wall Street Jewish International bankers.

BARUCH spent 10 billion dollars of allied money, giving his own companies the choicest contracts, on which he also could fix prices, and made himself a multi-millionaire by fleecing the people of the United States.

XXIV. BARUCH has spent his life carrying out the plot of the "Protocols of the Learned Elders of Zion" while representing himself to the public as "Elder Statesman" and "Advisor to Presidents". He pretends to be a patriot by advising America what it should do for protection against war crises which he and his gang has fostered on America in their plot. XI. To accomplish this they create wars, revolutions, and depressions in order to seize the power during the resulting chaos.

... XII. For hundreds of years this has been the Jewish plan on the instructions of their Grand Sanhedrin of Constantinople in its Vengeance Protocol of 1492.

XIII. To do so, they have cornered the world's gold supply and have sold the world the fiction that gold is wealth, instead of the land and commodities being recognized as wealth. By their control of gold, they have enslaved all nations to them through loans. They hold the world in an economic straitjacket.

XIV. By their control of gold, they control the means of propaganda, smearing all newspapers and publications who do not kow-tow to their wishes, and also shutting off all foreign news they do not wish a nation's people to hear. Every regular newspaper in the land talks of the world crisis, but not one dares to inform the public of the Jew plot behind the crisis. They might lose advertising.

... XV. The International Jewish Council

pays interest on its own credit and the Jewish international bankers collect it. In 1915 on a national debt of 216 billion, the interest was 14 1/2 million dollars a day. Today, 1954, the National Debt is 276 billion dollars. Can you see where the money power lies? By their control of gold the Jewish international bankers get richer while Gentile America gets poorer and poorer. In the "Protocols" they say they will drain the entire product of material and labor off the land into their treasuries.

XXI. The Congress "abdicated" in 1913 when it passed the Federal Reserve Act. The Board of Governors of the Federal Reserve Banks met behind closed doors and has more power than the Congress of the United States. Said Board of Governors is not responsible to the public nor to Congress and has repeatedly shown that it is under the control of the international banker. By raising the discount rate (a deliberate act) in 1921 and 1929, they brought on the depressions. (The Jewish plan—see the Protocols).

Magazine, Jan. 2, 1959.)

XXV. World War II was forced on Germany by the Jewish international bankers who squeezed Germany financially for this purpose. Jew, SAMUEL UENTERMEYER, brought about the boycott of Germany in 1933 for this purpose.

XXVI. World War II was for the purpose of the Jews doing to Germany what they did to Russia in World War I, causing revolution and establishing Communism.

XXVII. World War III is being arranged by the Jews in order to bring the entire world into Communism, which is Jewish super capitalism, with the Jews controlling the government as they do now in the Soviet Union and all other Communist countries—Poland, Hungary, Czechoslovakia, Rumania, China (East), Latvia, and Lithuania have been digested by the Communist Jews)—with a few Gentile stooges to front for them. Two and a half million Jews in Russia occupy nearly all government positions and live in luxury with the finest cars and mink coats while the Gen-

hired 10,000 people for the Manhattan (Atomic Energy) project. (The New Yorker, September 13, 1945). This included the spies JULIUS and ETHEL ROSENBERG, GREENGLASS, SOREL GOLD, KLAUS FUCHS and others. SIDNEY FIELDS, writing in the New York Mirror November 13, 1950, describes the power ANNA had while in charge of the nation's manpower: "Tomorrow MRS. ANNA M. ROSENBERG assumes her duties as Assistant Secretary of Defense in charge of the nation's manpower. There are about 115 different U. S. government agencies concerned with manpower." Mr. FIELDS quotes Mrs. ROSENBERG: "Today we are in for a long pull... I would not dare estimate how long. Nobody would believe me. But it's going to last a good many years." ANNA knows the plan of the Protocols. She supervised the hiring of more than a million while she was in that job. It will take ten years to unscramble the Red network she set up if America does not pass out before Senator McCarthy is trying.

XXXV. She was backed by BERNARD

SIDNEY JAMES WEINBERG, Wall Street investment banker of GOLDMAN, SACHS & COMPANY. It is clear that the Eisenhower cabinet was handpicked by WEINBERG's man, General LUCIUS CLAY, whom WEINBERG made Chairman of Continental Can. Jews WEINBERG and BARUCH rule EISENHOWER, that is definite.

XI. While focusing our attention on the enemy from without, the enemy from within has captured the United States government. The power passed from the people to the state about twenty years ago. No longer are the three divisions of government, Legislative, Executive, Judicial of equal power as was intended by the founding fathers.

5. The State National Guard units everywhere have purposely been prevented from getting ammunition and equipment by the Federal Government. This is to prevent them from resisting the "take-over" when it comes.

strategy the Executive gets his way. He can buy legislation. Congressmen admit they have no check on the astronomical budget figures they vote for, and once voted, the Executive can spend it at will with no check up. The Executive appoints the Supreme Court Judges and so controls that also.

XLIII. The invisible Jewish government has been in control of the U. S. since F. D. R. took office, and also controls WINSTON CHURCHILL, England, France, the Soviet Union, Israel, Hungary, and Czechoslovakia, Poland, and Roumania.

XLIV. The land in Israel is owned by the PALESTINE POTASH CORP. and the PALESTINE ECONOMIC CORP. represented in the United States by the National Jewish Fund. Arabs had occupied part of this land for 1,500 years and part 1,700 years. The Jews came in from other parts of the world and murdered the Arabs and pushed nearly a million into the desert where 850,000 still exist.

XLV. WINSTON CHURCHILL sent his war time messages to ROOSEVELT through BERNARD BARUCH who had his apartment in the Waldorf-Astoria in New York.

(j) Universal Military Training is for the purpose of getting the young men of America under control of the Jews for 8 year periods and with the military whip-hand over them, they will be forced to study and accept Communist propaganda. Those who accept will be given the advancement and allowed to study for the positions of doctors, dentists, lawyers, etc., but those who rebel against it will be chosen for floor scrubbers, etc.

(k) The Human Rights Covenant, drawn up by ELEANOR ROOSEVELT, DEAN ACHESON, and two Russians, gives the government of any member nation of the United Nations the right, if it thinks itself threatened, to curb the freedom of the press, and impose martial law, and to take over all industry and all labor.

This is the means they intend to use to spring the trap on the United States and take over the government with their dictatorship. They are also pushing to do the same thing by urging passage of standby mobilization legislation, for which BARUCH appeared before Congressional committees and for which he has made public speeches is advocating that the President be given complete authority to mobilize everyone from 17 to 70, in event of attack

far as possible, should not result in territorial gains; war will thus be brought to the economic ground... Our international rights will then wipe out national rights, in the proper sense of right, and will rule the nations properly as the civil law of States rule the relations of their subjects among themselves."

LIV. EISENHOWER advocated the LEHMAN-inspired legislation to admit 215,000 additional immigrants (mostly Jews, you will see) to replace the Gentile Americans destroyed in the Korean war. Eighteen gullible Republican Senators sponsored this legislation which they would have voted against the previous year had TRUMAN introduced it, but now they consider they have a "Republican" President. Since the end of World War II, ACHESON let in five times as many immigrants as the law allows and 77 per cent of them were Jews. Congress stands apinely by while all this goes on as though it were a little child and not apposed to know.

Members of Congress, Awaken now or you will be shot! This is your last chance. When the Jews pull the dictatorship, they will shoot you or put you in concentration camps. You have presided at the passing of the United States and the passing of the white race. You let it happen. Now get together in one mighty effort to stop it. This is reality. You have only one chance left and that is to arrange a simultaneous outcry by a group of your fellow members of Congress to indict this conspiracy by the size of which the Capone gang and the Mafia are infants. The Jewish Anti-Defamation League, it's El'ial Frith, the American Jewish Congress, are subversive conspiracies carrying out the Jew plan. They are a "Gestapo" in every community. The Jewish communities everywhere fully cooperate — none disavow it. They have been taught it for hundreds of years. The Protocols of Zion are being fulfilled. Act now or your posterity will be slaves forever! BENJAMIN FRANKLIN predicted this in his Convention Speech in 1781, and

THE PASSING OF THE WHITE RACE

XLVIII. Jews keep themselves segregated and do not intermarry but they want the Gentiles to intermarry with colored races. Why not, then, the Jews? Oh, no, they consider themselves "the chosen people" to rule over all the other races of the world.

This plot could not go on if the newspapers of the country would inform the people. Integration of the White and Colored races in schools and other segments of American Society is not a move that has been perpetrated for the purposes which the American people have been led to believe. If this is not a true statement, then how can we answer the following questions?

1. Who are the perpetrators of Integration and why is it being forced upon the American people at this time?
2. Why was it the present U. S. Supreme Court found it necessary to rule in favor of Integration of the White and Colored races, when previous Supreme Courts have handed down rulings to the contrary?
3. Why was it that the 48 states were not allowed to make decisions on this important question by state referendums?
4. Why are churches, schools, civic institutions and other organizations being pressured to go along with the Integration ruling?
5. Why did the NAACP and the American Civil Liberties Union enter into this conflict?
6. Why is it one-third of the life members of the NAACP are not Negroes but Jews?
7. Why is it most of the persons composing one-third of the Jewish membership of the NAACP have Communist affiliations, some having as many as 53 Communist affiliations?
8. Is it true J. Edgar Hoover, head of the F.B.I., has in his files information, that if made public, would connect our Supreme Court directly with the Communist movement?
9. Is Mr. Hoover under strict orders from his superiors not to make this information public?
10. Why has Eisenhower been so persistent in support of Integration?
11. Does the Negro race really want integration with the White race? Is it not true that the majority members of the Negro race prefer to have their own schools with their own teachers, their own churches with their own ministers, and their own organizations with their own leaders?
12. Is it not true that the forced integration of White and Colored is as much of a violation of the laws of God as the integration of the different species of animal life?
13. Is it true the same people who are behind the NAACP, THE AMERICAN CIVIL LIBERTIES UNION, THE AMERICAN JEWISH CONGRESS, THE B'NAI B'RITH, AMERICANS FOR DEMOCRATIC ACTION and the AMERICAN JEWISH COMMITTEE are the same people who were behind the overthrow of so many other countries?
14. Are these the same people that control the United States government and the U. S. Supreme Court?
15. Are these the same people that created and control the United Nations as another means of world conquest?
16. Are these the same people that control newspapers, radio, movie industry and television in the U.S.?
17. Are these the same people that control the Federal Reserve System and the Monetary System of the world?
18. Are these the same people that make up 95% of the Reds who have Communist citations as found in the Congressional reports in Washington?
19. Are these the same people that are behind the hundreds of programs for the "Brotherhood", "Tolerance" and "Love" hypocrisies?
20. Is it true that these people only make up 5% of the total population of the United States?

If you can answer these questions correctly, then you are an informed American and it is not very likely that you willingly or unwillingly support Communism. If you cannot answer these questions, then YOU are in danger as well as your country. You are knowingly or unknowingly supporting the cause of Communism in the United States. The answer to these questions can be found in many patriotic publications. For information write to **COMMON SENSE, UNION, NEW JERSEY.**

True Americans awake! It's later than many think. According to authentic Zionist documents, the time table calls for America next on the Communist list. If we allow this to come upon us we will all wallow in our own sinful blood of lethargy and the neglect of Christian principles. The Zionists say they will make every Jew a king, each with 2800 Gentile slaves. There are in America an estimated ten million Jews and 150 million Gentiles. Will you allow this prediction to come true? This is a real warning. We can say "NO" at this late hour by defying through Court and Congress the forcing of Integration and the resulting mongrelization of America upon its peoples. This will throw their time-table off schedule and give us time to gather forces to fight their other aims. Right now make your first move by signing and returning the protest below against Integration. Let the slogan of every true American regarding Communism be "I PROTEST":

On September 11, 1952 [redacted] advised that BILL HENDRIX, Grand Dragon of the Southern Knights of the Ku Klux Klan, had spent the weekend of September 5, 1952 at his home, St. Petersburg, Florida. He advised that HENDRIX arrived on September 5, 1952 at approximately 7:00 P.M. accompanied by ART BAKER.

b7D

Informant stated on the following day, September 6, 1952, he and HENDRIX went to Tampa, Florida to visit JACK BOWEN, 916 West Woodlawn Avenue, Tampa, Florida. BOWEN advised informant and HENDRIX he had recently returned from a trip north where he said he met a man by the name of McGINLEY, who is editor of Common Sense, Union, New Jersey.

BOWEN advised informant and HENDRIX that McGINLEY wanted HENDRIX to bring a couple of his leaders and join in a secret meeting at the Waldorf Astoria Hotel in New York City. According to BOWEN, McGINLEY and a group of his contacts, including Judge ARMSTRONG of Natchez, Mississippi would be present. McGINLEY assured BOWEN that he had contacts who would furnish all necessary funds for promotion of Klan work in Florida, and that other contacts of his were ready and able to muster large groups in New Jersey and New York, particularly in Brooklyn and Staten Island, under Klan leadership.

Informant advised that on September 8, 1952 he and HENDRIX attended a meeting of the Gibsonton, Florida Klavern. Informant stated that in HENDRIX's talk before the Klavern he advised there were now one hundred twenty-eight organizations in the north operating from coast to coast who are working along

the lines of the Ku Klux Klan and who are in touch with each other. He said most of them have come to the conclusion the Klan is the only one with a system that will work, and he expects a good many of them to actively join with the Klan during the coming year.

HENDRIX told of six men from Dayton, Ohio and St. Louis, Missouri who had visited at his home about a week prior to the meeting. He stated that soon groups would be operating under the leadership of the Southern Knights. HENDRIX also stated the White Protective Association, St. Louis, is a similar organization and there is a similar organization in Dayton, Ohio. HENDRIX inferred that these two organizations are getting ready to join with the Klan. He stated the members of these groups would actually be a part of the organization and will pay dues to HENDRIX.

HENDRIX further told how a White Protective Association threw ten gallons of gasoline on a swimming pool in St. Louis which was thrown open to mixed bathing. He said they lighted the gasoline, but it did not stop the mixed bathing. Informant stated HENDRIX said a man by the name of JOHN HAMILTON, and a man named WOLF had appealed to him and he told them to burn a cross, which they did, and the pool practically quit doing business.

In a private conversation with HENDRIX, informant stated he had gathered the impression that HENDRIX was not favorably considering a meeting at the Waldorf Astoria in New York with McGINLEY, as suggested by BOWEN. He also stated the group from St. Louis who had visited him over the Labor Day weekend had offered him \$200 expense money to go to St. Louis to speak before their groups and that he intends to go.

HENDRIX told the informant that approximately three or four years ago he published a newspaper for the organization "Southern Gospel". He stated in this newspaper he ran a fake advertisement under the name of "Association for the Advancement of White People" and that a man named BOHARNEAU in Chicago had recently written him requesting permission to use this name in organizing a group of "our" people. HENDRIX stated this is being done, but he doesn't think much will come of it.

HENDRIX stated a man by the name of PETE XAVIER is very active in Dayton, Ohio. He also expressed the opinion that he

Ltr., Director, FBI

thinks several large groups will be organized and operating throughout the north in the coming year. He referred several times to six men who had visited him from St. Louis and Dayton, but did not mention any names other than WOLF and JOHN HAMILTON.

HENDRIX advised the informant that the "Minute Women of Connecticut" recently held a convention in Chicago which was attended by some 500. HENDRIX stated when UPTON CLARE made a speech before this group, he mentioned the need to return to Christian principles. According to HENDRIX, one of the secretaries of the group became irritated at this and stated it looked to her like the organization was going anti-Semitic, so she resigned and made a statement to the papers.

For the information of the New Orleans Office, the St. Louis Office advised that [] was invited to attend a convention in Chicago, Illinois July 4 through 6, 1952 for the purpose of forming an organization on a national basis to be known as the National Association for the Advancement of White People. This new organization would consolidate groups similar to that of the Citizens' Protective Association throughout the country. The Citizens' Protective Association was an organization formed in St. Louis by JOHN W. HAMILTON and was formerly affiliated with the Christian Nationalist Party. The main purpose of the Citizens' Protective Association, whose actions have been confined to St. Louis, is the advancement of the white race and it is strongly anti-Negro.

b7D

At the convention of the National Association for the Advancement of White People at Chicago it was decided to change the name from the National Association for the Advancement of White People to the Allied American Association.

All offices receiving copies of this letter are requested to be exceptionally discrete in the handling of this information, inasmuch as [] is State Auditor and head of the Insurance Department of the Southern Knights of the Ku Klux Klan. In this position he is in continuous contact with BILL HENDRIX, the Grand Dragon and head of the Southern Knights of the Ku Klux Klan, and receives instructions and information which are not otherwise made known to other national officers or the rank and file members. Therefore, if any of the information supplied by

b7D

[] were to be made known to any member of the Southern Knights of the Ku Klux Klan, or any close acquaintance of BILL HENDRIX, it would thereby compromise the informant and deprive the Miami Office of a most valuable coverage of the activities of this organization. RUC.

[] was invited to attend a convention at Chicago, Illinois, July 4, 5, 6, 1952, by JOHN W. HAMILTON who stated that its purpose was to found an organization on a national basis to be known as the "National Association For The Advancement of White People" and that this new organization would consolidate groups similar to that of the Citizens Protective Association throughout the country.

[] attended this convention which was held at the Como-Inn Restaurant and Hall, 546 Milwaukee Avenue, Chicago, Illinois, and furnished the following information both orally and by written report to SA [] on 7-20-52. The informant's report is maintained in SL file []

It was voted that the convention should be called "The Nationalist Convention of America" and it was stated that the purpose of the convention was: 1. To support General DOUGLAS MACARTHUR for President of the United States; 2. To also support GEORGE D. HIGGINS for President on the Liberty Party ticket in order that he would be able to obtain radio time; 3. To found a new organization which would consolidate the organizations present into a nation wide group. The chairman of the convention was JOSEPH BEAUHARNAIS of Chicago, Illinois, and the co-chairman was PETER L. XAVIER of Dayton, Ohio.

BEAUHARNAIS stated at the opening of the convention that the Como-Inn Restaurant had given them the hall without charge, provided that the delegates to the convention ate their meals at the restaurant. The informant stated that the delegates ate their meals in a private dining room throughout the convention.

Miss KAY TURPPIN, who, according to the informant, was the secretary of JOSEPH BEAUHARNAIS, acted as secretary of the convention. Posters hung on the walls of the convention hall denounced the United Nations, the Communists, taxes, Negroes and Jews. The informant registered for the convention with Miss TURPPIN and was informed by her that all of the speeches to be made at the convention were going to be recorded on a sound tape recorder.

The first speaker at the July 4th session was GEORGE D. HIGGINS of Los Angeles, California, who announced that he is the candidate for President of the United States on the

DIRECTOR, FBI

8-25-52

Liberty Party ticket. HIGGINS stated that his purpose is to warn the American people of the grave danger which threatens them, their liberty and their republic; to set forth the true nature and cause of the crises and to prescribe an adequate remedy. He stated that the United States has been taken over by the Rothschild International Banking Monopoly, frequently called the "Money Power," which includes the Federal Reserve Monopoly. He stated that the republic of the United States is dead and that the Constitution, with its Bill of Rights, has been thrown into discord by the Rothschild money power. He continued that this money power has substituted in place of the republic of the United States an oligarchy of their own, which is the United Nations organization. He stated that by joining the UN the US is selling itself into a permanent bonded debt. HIGGINS stated that he advocates repudiating all Gold Certificates and the retiring of all Federal Reserve Notes and that Congress should then print debt free currency. He stated that the Income Tax Law should be abolished and that the Farm Relief Act and the Taft-Hartley Act, which are both tools of the money power, must be repealed. He claimed that the U.S. is using all of these things to bring about inflation and that when the value of the dollar is low enough to create panic, they will tell the people that the only way to save the U.S. is to join the United Nations, and that the U.N. will then put us in poverty.

The next speaker was Mrs. ED C. ALUMBAUGH, who is the editor of a monthly newspaper called "The Spider," at Macon, Georgia. According to the informant, she made a plea for taking the United States out from under the international banking power. She advocated changing the money system presently in use in this country and stated that her group is backing General DOUGLAS MacARTHUR for President because, if elected, he would abolish our present money system.

C. DANIEL KURTZ, State Director of the New York Anti-Communist League, spoke and explained that he has been speaking on the street corners of New York City for years and that he had made several speeches in the Rockaway Beach area, which had resulted in his arrest. KURTZ presented an attack against the Jewish race and stated that if the Jewish people were not run out of this county they would soon take over.

DIRECTOR, FBI

8-25-52

The evening session on July 4, 1952 was addressed by PETER L. XAVIER of Dayton, Ohio who acted as co-chairman of the convention. He spoke about the United Nations during which he vigorously attacked the U.N. and stated that, in his opinion, the U.N. is unconstitutional. XAVIER stated that he had been discharged from the Army because he stood in front of the U.N. Building in New York City, threw the U.N. flag on the ground and called the President a traitor. He claimed that one day he would be reinstated in the Army and at this time he would fight for his Army pay since the time of his discharge.

Another speaker was CONDE MCGINLEY, editor of the newspaper "Common Sense" which is published twice monthly at Union, New Jersey. He strongly attacked the Jewish race, stating that all of our troubles are rooted in the Jews because they are the ones behind the Russians. He stated that he is now devoting his full time to the publishing of "Common Sense," which has reached nation wide circulation. MCGINLEY described several attempts which have been made on his life and on the lives of his employees. He stated that these attacks, as well as other attacks against his printing plant, were made by "Communist Jews" who sought to stop the publication of "Common Sense."

At the first session on July 5, 1952, which convened at 11:00 a.m., PETER XAVIER acted as chairman. The session opened with GEORGE D. HIGGINS of Los Angeles leading in the pledge of allegiance to the flag, which was followed by prayers lead by JOHN W. HAMILTON of St. Louis. The first speaker was a Miss WALKER from the State of Iowa, who was one of three sisters present at the convention. She talked against the Farm Bureau and stated that the Farm Bureau was taking the farmers away from God. She stated that the Government was making the farmer lazy by letting him plant only certain crops and that this was ruining the farms as well as the farmer.

The next speaker was C. DANIEL KURTZ of New York City, who presented another attack against the Jewish people. According to the informant, KURTZ did little more than repeat his remarks of the previous day.

The next speaker was JOHN W. HAMILTON from the Citizens Protective Association, St. Louis, Missouri. He attacked the

DIRECTOR, FBI

8-25-52

Negro race, stating that the Negro is a backward man and always will be backward. He stated that the Negro has eaten the heart out of St. Louis where a minority group has dictated the policy, kangaroo courts were in session, and the Negroes get off very lightly for their crime. He stated that two Negroes had gotten very light sentences in the killing of an Overland, Missouri policeman and that they would be eligible for parole in five years. HAMILTON stated that the people of St. Louis were going to begin to do something about Negroes and that this was one situation that the people were going to stop. HAMILTON urged that all of the groups represented at the convention unite in order that they might do something about fighting the Negro situation all over the country.

Another speaker was a Mr. LANDIS from Dayton, Ohio, who spoke in favor of abolishing all taxes. He stated that he and a group of others had attempted to have an earnings tax outlawed in Dayton because it had not been voted upon by the people. He stated, however, that it was later passed by a vote of the people of Dayton. LANDIS stated that he wrote one hundred letters to people who would have to pay the earnings tax but who would not benefit from it since they resided outside of Dayton. He stated that in these letters he asked these people to attend a meeting to discuss the situation but that only one person arrived to attend the meeting. He stated that this was an example of the fact that the American people are just stupid about such matters.

The main speaker at the evening session on July 5, 1952, was JOSEPH BEAUHARNAIS, leader of the White Circle League at Chicago, Illinois. He discussed the Cicero, Illinois riot and stated that the owner of the property which caused the incident, Mrs. DeROSE, had called upon him for help. He stated that Mrs. DeROSE had by mistake retained a Negro attorney to defend her in a case with the rent control office. He stated that this attorney and his associates gained control of Mrs. DeROSE's property and employed a Negro couple to pretend they were going to move into the apartment house. By this means, the Negro attorney hoped to get \$120,000 for the property which was valued at \$60,000. BEAUHARNAIS stated that Mrs. DeROSE then employed a second attorney to sue the Negro attorney and that when this case came up in court Mrs. DeROSE was jailed for contempt of court. BEAUHARNAIS stated that he and the parents of Mrs. DeROSE attempted to post bond for her and found that she had been placed in a mental institution. He stated that Mrs. DeROSE was not given an opportunity to speak in her own

DIRECTOR, FBI

behalf and that he was going to do all in his power to help Mrs. DeROSE.

At the conclusion of his speech, BEAUHARNAIS stated that all of the speeches being made at the convention were being sound recorded "because we may have to use it in court someday." He added that the recordings would be made available to the member organizations in order that they might be played at local meetings.

According to the informant, the first speaker at the July 6, 1952 session was a Mr. LAMBERT from Chicago, Illinois who related how the Woodlawn section of Chicago was being overrun with Negroes. He stated that he had owned a restaurant in this section and that the Negroes often left without paying for their meals. He stated that on one occasion a Negro woman left without paying and in addition to this she struck and cursed him, and the following day brought him into court and sued him for \$20. He stated that several days later a Negro woman left without paying but he made no effort to stop her because he said he would get no backing from the police. He stated that all of the Woodlawn residents have had to stand by and watch their stores being broken into and robbed because the police do nothing to help them. He stated that for this reason he and other Woodlawn residents were supporting the anti-Negro "White Circle League" in Chicago.

The next speaker was LEWIS KLENKE of Edwardsville, Illinois, who is a member of the Board of Directors of the newspaper "The Farmers' Voice," published by the United Farmers of America, Incorporated. He spoke against the use of artificial fertilizer and insect sprays and stated that his organization was against the use of medicines and the fluoridation of water systems. He stated that the people were being forced to use these artificial aids as part of a deep rooted plot to weaken them so that they could be easily overcome.

The informant stated that at the last session of the convention many resolutions were introduced and adopted. It was stated that a copy of these would later be sent to all those delegates in attendance. In summary, these resolutions indicated that the organization would be anti-Negro, anti-Jewish, anti-Farm Bureau, anti-tax system and against the present monetary system in this country. The informant advised that a discussion took place concerning the name to be adopted by the

DIRECTOR, FBI

organization. After the introduction and discussion of several names, the name selected was "National Association For The Advancement of White People." However, the informant was later advised by JOHN W. HAMILTON that after the convention had ended the leaders of several participating organizations met and decided that the name selected at the convention should be changed inasmuch as it might be confused with the National Association For The Advancement of Colored People. HAMILTON stated that it was decided to change the name from "National Association For The Advancement of White People" to "The Allied American Association."

According to the informant, it was not made clear at the convention whether the new organization would have a headquarters which would direct its activities or whether it would be an organization in name only, with all activities carried on through the member organizations. It was stated, however, that the participating organizations would retain their present name and character but that their letterheads would be changed to show affiliation with the "National Association For The Advancement Of White People." According to the informant, it appears that the participating organizations will all adopt the platform of the new organization. The informant stated that most of the delegates present appeared to be friends of long standing and indicated that they were in constant communication with each other.

[redacted] was further advised by JOHN W. HAMILTON that there were delegates from about thirty states present at the convention. However, the informant observed that there were never more than thirty-five people present at any one session of the convention. It was also stated during the convention that there were to be approximately fifty organizations joining together to form the "National Association For The Advancement Of White People," but, according to the informant, not all of these were represented at the convention.

Informant stated that JOSEPH BEAUHARNAIS indicated that the names of the participating organizations would be made available at a later date, at which time a list of the resolutions passed would also be made available to those who had attended.

Inasmuch as there is no organization known as the "National Association For The Advancement Of White People" or "The Allied

"American Association" in St. Louis at the present time, the activities of this organization will be followed through the investigation presently being conducted concerning the Citizens Protective Association in St. Louis.

The following exhibits, which were obtained by the informant at the Nationalist Convention, were personally furnished to SA [redacted] by [redacted] on July 20, 1952. These exhibits will be forwarded to the Bureau for photographing in order that copies might be made available to interested offices. The original exhibits are being maintained as Exhibit #1 through Exhibit #37 in St. Louis file 66-1935A in 1-B-1 Section, corresponding to the order in which they are set out below.

DIRECTOR, FBI

leader of the organization. He explains the reason that members have received no bulletins or notices of meetings for a period of one year is due to the fact that the White Circle League had been involved in litigation which was in the courts for almost two years. It states that the U.S. Supreme Court recently decided against him by a decision of five to four (Case #118, Joseph Beauharnais vs. the People of the State of Illinois). It quotes in full the descending opinion of Supreme Court Justice BLACK in this case, which BEAUHARNAIS claims as a victory. BEAUHARNAIS states that he has given up his business and intends to devote all of his time and the balance of his life to preserving the rights and heritage of the white race in America.

Stapled to this leaflet is an application for yearly membership in the White Circle League of America, Chicago, Illinois, reflecting that the yearly membership is \$2.00 and a yearly subscription to the White Circle News is \$5.00 per year. The reverse side of this application is captioned, "The National Association For The Advancement Of White People," which it states is dedicated to safeguard and maintain the dignity, social edicts, customs, heritage and rights of the white race in America. It then explains that all members of the White Circle League now become members of the NAAWP automatically. It then states that among the fifty organizations that sponsor the NAAWP are the following:

Citizens Protective Association, St. Louis,
Missouri.

National Patrick Henry Organization,
Incorporated, Columbus, Georgia.

construction and the repair of a certain building of value equal to \$71.22; (2) did cheat and defraud said GRAY by check drawn on the Fidelity Trust Company of Baltimore, Maryland, said bank not being indebted to BOWLES; and (3) did defraud said GRAY by failing on promises to pay wages. Indictment #1205

Charges that on March 16, 1953, BOWLES did defraud and cheat by failing to pay for services, one HARRY HUGELMEYER, 408 Gwynn Avenue, Baltimore, Maryland, of \$46.61. BOWLES was arraigned on March 27, 1953, pleaded not guilty, verdict was rendered guilty, sentence was suspended and BOWLES required to pay the costs.

Indictment #1952

Contains two counts charging BOWLES with (1) obtaining from one CHARLES F. PASQUA, c/o The Maryland Bar and Restaurant, 1417 Maryland Avenue, Baltimore, Maryland, \$73.00 by false pretenses, and (2) intent to cheat and defraud CHARLES F. PASQUA by check drawn on the Fidelity Trust Company of Baltimore, that bank not being indebted to BOWLES. BOWLES was arraigned on April 27, 1954, pleaded not guilty and on June 18, 1954, the Court rendered a verdict of guilty and suspended sentence pending the outcome of a new trial motion. BOWLES was released on bail of \$1500.00. On July 24, 1954, a new trial was denied, BOWLES was sentenced to one year in the Maryland House of Correction, which sentence was suspended by reason of general good behavior and upon promise of restitution.

Indictment #501

Contains three counts charging larceny at trust in that (1) BOWLES did on October 11, 1952, feloniously and fraudulently convert to his own use \$5000.00 entrusted to him by EDWARD W. ERICKSON; (2) did steal and feloniously carry away \$5000.00 in goods and money, the property of EDWARD W. ERICKSON; and (3) did take \$5000.00 by false pretenses.

BOWLES pleaded not guilty to these three counts and on August 18, 1953, was adjudged guilty by Court trial. On August 19, 1953, the verdict of guilty was stricken from the record and a new trial ordered. The case was retried on April 27, 1954, at which time BOWLES again pleaded not guilty and on June 18, 1954, BOWLES was found not guilty on the above three counts.

The Court records reflect that EDWARD W. ERICKSON resides at 136 Renkin Boulevard, Franklin Square, Long Island, New York, and that one JAMES M. BROOKS, 1610 Sheepshead Bay Road, Brooklyn, New York, was a witness. The record reflects that above action was based upon a personal note, dated October 28, 1952, given to ERICKSON by BOWLES, upon receipt of a \$5000.00 deposit. Judgment on this note was obtained in the Superior Court of Baltimore, Maryland, on March 26, 1953. Following BOWLES' indictment, he entered into an agreement with ERICKSON's attorneys to pay \$1000.00 per week, commencing March 16, 1953 until such time as the full amount would have been repaid. The records contained a letter dated April 30, 1954, from ERICKSON's attorneys, SHERBOW & SHERBOW, 1316 Munsey Building, Baltimore, Maryland, reflecting that BOWLES never kept his agreement to repay ERICKSON and that no payments had been received from him since that time.

Mr. CHARLES F. PASQUA, 6113 Marietta Avenue, Baltimore, Maryland, part owner and manager, The Maryland Bar and Restaurant, 1417 Maryland Avenue, Baltimore, Maryland, on October 7, 1954 identified photographs of BRYANT W. BOWLES, President of NAAWP, appearing in various Delaware newspapers, as being identical with the BRYANT W. BOWLES, JR., mentioned in the indictment in which he was the plaintiff and also the other indictments listed above, which indictments were tried at Court at the same time.

With respect to his complaint against BOWLES, PASQUA stated that on the 28th of February, 1953, BOWLES and a party were in The Maryland Bar and Restaurant, and received certain services. For payment, BOWLES gave a check made payable to BRYANT W. BOWLES, signed by BRYANT W. BOWLES, and endorsed by BRYANT W. BOWLES, payable to a Mr. FRENCH, whose first name PASQUA was unable to furnish, for cashing. PASQUA accepted this check for \$73.00, giving BOWLES the difference between the amount of the check and the service.

~~CONFIDENTIAL~~

BA 100-17756

According to PASQUA while he was at fault for cashing an improperly endorsed check, the Judge in finding BOWLES guilty had stated that due to the manner in which BOWLES had endorsed this check, an intent to defraud was clear. With respect to Mr. FRENCH, PASQUA advised that he was one of Mr. BOWLES' friends or associates and that he had learned from BOWLES that FRENCH had embezzled money from BOWLES and absconded.

PASQUA advised that he received restitution from BOWLES' attorney, whose name he could not recall approximately one month ago.

The Delaware State Police advised that BRYANT W. BOWLES was arrested at 2:30 p.m. on October 10, 1954, at the Harrington, Delaware Airport on charges in Kent and Sussex Counties, Delaware, charging "conspiracy with diverse persons to violate the school attendance laws of Delaware" and "conspiracy with diverse persons to interfere with the public school system of Delaware." These warrants also named CHARLES WEST, Vice-President, Mrs. MILDRED SHARP, Secretary-Treasurer, and the Reverend WARRINGTON, former President, all officers of the Delaware branch of the NAAWP.

ReButel 11/2/54.

ReButel indicated that information had been received by the Bureau that BRYANT W. BOWLES, JR., President of captioned association, is scheduled to speak before a group of negroes in Poughkeepsie, NY on 11/21/54, and that the invitation for this engagement was extended by an unidentified negro singer.

[redacted] has advised that this source has received information that the site for this speaking engagement of BRYANT W. BOWLES, JR. is to be Peekskill and not Poughkeepsie, NY, and that apparently the invitation was extended by one CALEB W. PETERSON, a negro singer. [redacted] advised that the United Press had, one or two days ago, forwarded a release, which was not published to any newspapers to this source's knowledge, indicating that BOWLES, in an interview in Florida with reporters, had indicated he is scheduled to speak before a group of negroes at Peekskill, NY on 11/21/54.

b7D

ReButel instructed that New York should arrange coverage through informants and sources of any meetings BOWLES may address.

Accordingly, the resident agent covering Peekskill, NY is requested to ascertain from sources at Peekskill the site of BOWLES' scheduled speech on 11/21/54 and to arrange through sources for coverage of this speech. It is suggested also that the local police be advised of the fact that BOWLES is to make this speech since BOWLES is a proponent of segregation and any such speech before a negro group may be a cause of disturbance.

It is noted that the substance of the above was telephonically communicated to SA WILLIAM FLYNN of the White Plains RA on 11/17/54.

[redacted] advised on Nov 19, 1954 that a news article in the Peekskill Evening Star of November reported that the head of the subject organization, BRYANT W BOWLES, Jr was not going to speak in Peekskill on Nov 21 next as the promoter of the talk, CALEB PETERSON, was unable to secure a place to hold the meeting.

Lt William Kieley of the Peekskill P.D. advised that Caleb Peterson is a local resident a self styled "big shot " and a friend of Paul Robeson whom he met in Hollywood. Kieley advised that Peterson had tried to get one of several colored churches in Peekskill in which to hold the meeting but that he was turned down on all requests and had to cancel it.

Bowles Speech Is Called Off

2nd Cancellation For Opponent of Integration

Bryant W. Bowles, who heads the National Association for the Advancement of White People in a fight against the integration of Negroes into public schools in the South, has had a speaking engagement scheduled for Peekskill cancelled for a second time.

Bowles had originally accepted an invitation from Melvin Tapley, chairman of the Peekskill Branch, National Association for the Advancement of Colored People. But the National chapter of the NAACP threatened to bar the local branch if it went through with the program.

Caleb Peterson, local entertainer, then invited Bowles to come to Peekskill to speak next Sunday. Peterson had planned to use one of the local churches for the meeting.

Reached early this morning, Peterson said, "on the advice of clergy, members of my church congregation, and friends," he wired Bowles this morning cancelling the proposed talk here.

Peterson said he had approval for such a meeting from New York editors of the Pittsburgh Courier, a national Negro publication.

It was learned today that the Westchester District Attorney's office planned to look into Bowles' scheduled appearance here. The office said it received several calls yesterday from so-called civil liberties groups regarding the proposed Bowles' engagement in Peekskill.

Bowles had announced in Jacksonville, Fla., Tuesday night that he was speaking here Sunday.

NATIONAL ASSOCIATION FOR THE ADVANCEMENT OF WHITE PEOPLE. IS-X. ATTENTION IS DRAWN TO BUREAU AIRTEL TO NY 11/30/54, ENTITLED: "THE US NATIONALIST PARTY ORGANIZATION, INFORMATION CONCERNING (INTERNAL SECURITY)". LAST MENTIONED BU AIRTEL INDICATED THAT THE BUREAU IS IN RECEIPT OF A LETTER FROM THE US NATIONALIST PARTY ORGANIZATION, 853 SEVENTH AVENUE, NYC, WHICH LETTER ANNOUNCES A PUBLIC MEETING OF SAID ORGANIZATION TO BE HELD AT MIDSTON HOUSE, 22 EAST 38th ST., NYC, ON 12/3/54 AND ANNOUNCED FURTHER THAT BRYANT BOWLES, PRESIDENT OF CAPTIONED ORGANIZATION, WOULD BE ONE OF THE SPEAKERS AT SAID MEETING. [] HAS ADVISED THAT WEST HOOKER, OF LARCHMONT, NY, HAD ATTEMPTED TO TAKE OVER THE LEADERSHIP OF THE NATIONAL RENAISSANCE PARTY, DESCRIBED BY THIS SOURCE AS A NEO-NAZI GROUP IN NY, BUT HOOKER WAS UNSUCCESSFUL AND HOOKER THEN RECENTLY FORMED THE US NATIONALIST PARTY. THIS SOURCE DESCRIBES HOOKER AS AN ANTI-SEMITES AND ADVISES THAT HOOKER DESIRES HIS US NATIONALIST PARTY TO BE A THIRD POLITICAL PARTY.

SUBSEQUENTLY ADVISED THAT AT THE MEETING OF THE US NATIONALIST PARTY, MENTIONED ABOVE, HELD ON 12/3/54, AN ANNOUNCEMENT WAS MADE THAT BRYANT BOWLES COULD NOT BE PRESENT BECAUSE OF ANOTHER COMMITMENT ELSEWHERE. IN VIEW OF THE FACT THAT BOWLES DID NOT SPEAK, OR ATTEND, SAID MEETING, THIS CASE IS RUC'D.

Forms Recording Co.

Caleb Peterson, of Peekskill, MGM motion picture actor and bass-baritone has set up his own record recording company, with offices at 1630 Broadway and 1200 Fifth Avenue, New York City, it was announced today. The name of the company is Folklore Records.

The company's first record features Peterson on both sides, and includes "Ol Man River" and "Water Boy."

The New York radio and television companies will start playing the record in a few days.

Most of the profits from the first record will help pay the expenses of Peterson when he makes his European trip and goes to London, Paris and Oslo, in March, it is hoped.

Outstanding church choirs and gospel choirs have been signed by Folklore Records so far. Leroy Collins, who does public relations for Eddie (Rochester) Anderson, of Jack Benny's program, will act as public relations head of the record firm and Miss Gwen Griffin, of New York, will be the musical director.

The president of the company will be named in a few days. Mr. Peterson is now in an MGM record album with Lena Horne, Tony Martin and Judy Garland in an album called "Til The Clouds Roll By."

request of WEST HOOKER, President of the United States Nationalist Party. T-1 stated there were a little over 30 persons at this meeting and T-1 stated that BOWLES delivered a discussion on segregation; wherein he opposed integration of whites and Negroes and took the stand that the white people also need protection in the United States.

This source further advised that BOWLES also orally attacked the association known as the National Association for the Advancement of Colored People, saying that although this last organization boasts a membership of 200,000 persons about half that number are not Negroes. BOWLES alleged that about half are what he termed "radicals."

T-1 further stated that BOWLES stated that the white people in the United States are being bulldozed and neglected, and claimed that the National Association for the Advancement of White People is one group that is the friend of the white people. BOWLES promised that subject organization will not let up in the fight for the interests of the white people.

Concerning the United States Nationalist Party, T-1 has advised that in the latter part of 1954 WEST HOOKER, mentioned above as President of the United States Nationalist Party, had attempted to take over the leadership of the organization known as the National Renaissance Party, described by T-1 as a Neo-Nazi group located in New York, but that HOOKER had been unsuccessful in this attempt. T-1 stated that HOOKER then formed the United States Nationalist Party.

T-1 described HOOKER as an anti-Semite and advised that HOOKER desires that his United States Nationalist Party become a third political party.

T-1 further advised that this source had learned that the cost of publishing and distributing one issue of the publication "Common Sense", that is the issue of November 1, 1954, had been paid to CONDE MC GINLEY, Editor of "Common Sense," by certain persons acting for subject organization. T-1 stated that thereafter a large number of issues of this particular issue of "Common Sense" had been distributed throughout the United States in behalf of subject organization.

NY 105-10017

T-1 stated that this issue of "Common Sense", dated November 1, 1954, dealt with the question of integration and attacked the National Association for the Advancement of Colored People.

It noted that the Preliminary Report on Neo-Fascist and Hate Groups of the Committee on Un-American Activities, United States House of Representatives, Washington, D.C., dated December 17, 1954, lists on page 19 the following concerning the National Renaissance Party and the operators of "Common Sense:"

"The National Renaissance Party and the operators of 'Common Sense' illustrate two types of subversion from the extreme right. The committee condemns any such resurgence of pro-Fascist and hate activity."

In regard to the possible financing of the November 1, 1954 issue of "Common Sense" by persons allegedly acting for subject organization, T-1 furnished the following information:

About October 5, 1954, a Mr. BENNET, residing 407 Lakeview Avenue (or Lakewood Avenue), Milford, Delaware, whose first name is not known by T-1, made a statement that up to that date he and his associates had spent about \$10,000.00 on BRYANT BOWLES and the latter's organization known as the National Association for the Advancement of White People.

T-1 stated that BENNET is in his late 40's or early 50's and is presently associated in some way with a company known as "Electric Sales Corporation" of Milford, Delaware.

T-1 stated that on October 28, 1954 BENNET visited CONDE MC GINLEY in New Jersey. At that time, BENNET was accompanied by DOUGLAS G. MORGAN, who drove a Plymouth automobile, bearing a 1954 Delaware license plate number 21867. On that occasion, BENNET told MC GINLEY that he was leaving a deposit of \$500.00 to finance the publishing and distributing of an issue of "Common Sense", which would deal with segregation. BENNET also told MC GINLEY that he and his group would subsequently furnish \$2,000.00.

NY 105-10017

T-1 further advised that on November 4, 1954 BENNET again visited MC GINLEY in the company of DOUGLAS G. MORGAN and a man named Mr. ABBOTT, whose first name is not known to T-1. T-1 advised there were other individuals who accompanied BENNETT, MORGAN, and ABBOTT on that occasion, but T-1 did not know the names of these other individuals.

At that time, BENNET and his group gave CONDE MC GINLEY \$2,000.00, which was to pay for the publishing and distributing of the November 1, 1954, issue of "Common Sense."

T-1 stated further on December 10, 1954 BENNET and ABBOTT, accompanied by four other men, whose names are not known to T-1, visited CONDE MC GINLEY in New Jersey, arriving there in a 1954 Chrysler sedan, bearing 1954 Delaware license plate number 30623.

T-1 understands that this last mentioned automobile is registered in the name of CLIFTON DONOVAN and CLARA DONOVAN of Lincoln, Delaware.

T-1 stated that on this last date, that is December 10, 1954, BENNET and his group paid over a balance of more than \$700.00 to CONDE MC GINLEY. T-1 stated that this constituted a total payment of \$3,200.00 to CONDE MC GINLEY made by BENNET and his group in behalf of the National Association of the Advancement of White People. T-1 stated that, in return, CONDE MC GINLEY stated he would publish and distribute a large number of copies of the November 1, 1954 issue of "Common Sense" to people throughout the United States. T-1 stated that, in addition, CONDE MC GINLEY agreed to include, with each copy of the November 1, 1954 issue of "Common Sense" that he mailed, one copy each of a two-page sheet entitled "The Coming Red Dictatorship," and one copy each of a two-page typed paper bearing at the end a protest against white and colored integration in American society.

~~CONFIDENTIAL~~

NY 105-10017

T-1 furnished three copies of the November 1, 1954 issue of "Common Sense" and one copy each of the above-mentioned papers, entitled "The Coming Red Dictatorship" and the two-page letter of protest against white and colored integration.

One copy each of the above-mentioned issue of "Common Sense" and one photostatic copy each of the above mentioned two papers are being forwarded as enclosures to the Bureau and to Washington Field. The originals of these papers furnished by T-1 are being retained as exhibits in the file on this case in the New York Office.

Subsequently, T-1 advised that this source had ascertained that Mr. BENNET and Mr. ABBOTT and the group mentioned above, who had contributed the money to CONDE MC GINLEY as described above in behalf of subject organization, had split with BRYANT BOWLES and were no longer assisting with subject organization, which is still headed by BYRANT W. BOWLES.

On Sunday, 8/21/55, a public meeting of the National Association for the Advancement of White People (NAAWP) was held at Harrington Airport, eight miles from Milford, Delaware. The attendance was approximately 3,000. BRYANT BOWLES, the President of the NAAWP, and CONNIE McGINLEY, the editor of the newspaper "Common Sense", published in the State of New Jersey, were prominent on the platform at this meeting. The meeting was ostensibly called to oppose desegregation, but the emphasis was placed on anti-Semitism at this meeting. Thousands of copies of the publication "Common Sense" were distributed gratis at the meeting. After an appeal for funds at this meeting, the sum of \$1,291 was collected.

This meeting was called by [redacted] whose mailing address is [redacted] Delaware. On 10/7/55, SAMUEL POWELL, Chief, Milford Police Department, Milford, Delaware; WILLIAM SHORT, Captain, Troop 3, Delaware State Police, Dover, Delaware; GEORGE F. Each of the above named law enforcement officials advised that they had no knowledge of [redacted] or any other person having organized a Klan in Milford, Delaware, or its vicinity. According to these officials, if [redacted] had undertaken to organize a Klan with a membership of 300, they as law enforcement officers familiar with the Milford, Delaware, area believe they would have knowledge of it or have heard rumors concerning such activity.

GRAPPERHAUS stated that he answered the circular with a letter to [redacted] telling him he was sure he, [redacted] mailed the circular to him, but GRAPPERHAUS stated he has received no answer from [redacted]. GRAPPERHAUS stated apparently the circular was sent to him after he published an article which was critical of the Ku Klux Klan. GRAPPERHAUS also advised that he had personally been acquainted with the activities of the Ku Klux Klan in Indiana a number of years ago, and that he wanted to publicize the nature of the organization in an attempt to discourage the people of Delaware from having anything to do with the Ku Klux Klan. GRAPPERHAUS advised that in the event he obtains any information concerning the activities of the Ku Klux Klan, he would immediately notify the FBI.

Reurlet 5/8/64.

KAREL KYNCL is a representative of Radio Prague and is accredited to the United Nations. According to information available to a highly placed informant, KYNCL was recruited by Czech Intelligence, and is supposed to be working as a co-opted agent for Czech Military Intelligence. Investigation to date has failed to corroborate this allegation.

KYNCL left San Antonio on a flight to NYC, where he intended to pick up his wife and drive back to the West Coast for a trip to Hawaii. The woman with KYNCL on 4/18/64, was probably his wife. KYNCL has traveled extensively over the United States including Cape Canaveral, Dallas, where he covered the JACK RUBY trial and also throughout the southland. He has written extensively about racial matters in the US.

Cleveland should submit all information regarding KYNCL'S interview with MILLER to the Bureau in a form suitable for dissemination.
